Director To Be Named Monday

The Andover Housing Authority will appoint a director of urban renewal at a noon-time meeting next Monday.

Acting Director David MacDonald said the Authority has now narrowed down its search to three applicants, whose backgrounds are under thorough review this week.

They are Albert Cole Jr., deputy fire chief; James Franklin, urban renewal director in Wilmington; and James Mann of Haverhill, whose experience is with the real estate section of Sylvania Co.

MacDonald said John O'Malley, director of industrial development for Lawrence and Housing Authority Chairman Thomas Eldred have withdrawn from consideration.

Two other candidates, interviewed Monday night by Authority members, are not now being considered, he stated.

The position pays an annual salary of $10,000.

This sum is included in the federal funds that have been made available for a study of the urban renewal area here, and the preparation of plans that can be submitted to the town for action by March of 1962.

AVIS Bought Large Land Area

The Andover Village Improvement Society has acquired a 50-acre tract of land along the Merrimack River, which will be made available for public use.

To be known as "Deer Jump Reservation", the site includes some two and one-third miles of frontage along the River, varying from 40 to 700 feet in depth.

A right of way to the reservation will be maintained off River rd., at Deer Jump Hill, next to the stone house. The AVIS plans to open the reservation this fall, and will attempt to have at least one path cleared the length of the strip.

President Albert Retelle commented this week that the reservation includes most of the native

Bloodmobile Here Oct. 4-5; More Donors Are Needed

The Red Cross bloodmobile will be at the South Church next Tuesday and Wednesday, Oct. 4 and 5, from 12:45 to 6:45 p.m.

Mrs. William N. Perry and Mrs. Roger Whitcomb are working on the blood donor schedule, and will receive registrations by telephone at the chapter house on Punchard ave. Mrs. James Hamilton and Mrs. George Brightman, chairmen of the blood donor recruitment drive, were enthusiastic about the response to the one-day canvassing done by the Junior Red Cross in precinct one, but were disappointed in the number of donors recruited by telephone in the rest of the town. A great deal of time during the two-day visit is left vacant for walk-in-donors.

David Cutler, chairman of the blood program, citing the value of Red Cross blood in financial terms, said that one Andover resident has received blood free from the Red Cross that otherwise would have cost $1,800. One pint of blood will guarantee the blood needs of the donor and his family for one year.

The Junior Red Cross volunteers, who did much more than was expected of them with enthusiasm and tact, were Mary K. Barrett, Judy Dimlich, Ann Doherty, Geraldine Pelletier, Virginia Perry, Barbara Johnson, Larry Bretts, Rose Ann Clark, James O'Reilly, Joseph Nedelka, Kathy Hayden, Donna Mellett, Judy McKinnon and Nancy Hart of the high

Oct. 7 Is Last Registration Day

Unregistered adults in Andover will have opportunities to register to vote Nov. 8, during the coming week.

With the total registration now standing at 9,194, some officials see the possibility that Andover might have 9,500 voters eligible for the election.

The registration dates - where any unregistered person may register - are as follows:

Sept. 30, precinct five, Ballardvale fire station, 7-9 p.m.

Oct. 5, precinct six, Peabody House, Phillips st., 7-9 p.m.

Oct. 7, precincts one and two, town hall, noon to 10 p.m.

Although the registrations are held in the precincts, any resident, whether belonging in that precinct or not, may register in the stated times.

Both political town committees are expected to make every effort to see that unregistered persons get their names on the rolls in plenty of time for the November election.

Sub-Division Located Near Andover Line

A new residential area in Greater Lowell, a 25-acre tract in North Tewksbury near Route 495, to be known as Mt. Joy Estates, was announced today by Frederic C. Achin, trustee, Mt. Joy Estate Trust.

The property is located off Andover st. at Trull rd. at an elevation that affords a commanding view of the surrounding countryside. This was formerly the estate of Thomas Nesmith, prominent Lowell pioneer, who with his brothers owned substantial holdings in what is now the Belvidere section of Lowell. The large summer house maintained by Mr. Nesmith for many years has been razed to permit this use of the entire site.

Preliminary preparations of the area have been in progress for the past few months, transforming this estate into a modern, attractively planned location for a limited number of home sites. A new road known as Mt. Joy dr. has been constructed, town water and hydrants have been installed, and the remaining utilities are currently being completed.

The land runs from the Power Co. lines to the west, to a point behind the Loosigian farm on River rd. to the east.

Included in the area is the mouth of Fish Brook.

Mr. Retelle pointed out that the area will be open to all who wish to walk through it, and will not be posted to prevent hunting. He said the AVIS decided not to prohibit hunting in this favorite area, because it is large enough and far enough away from homes to make hunting practical.

He also explained that, although the land becomes a buffer between a portion of the town and the River, he can foresee no difficulty in terms of an access to the River for anyone needing this as a water supply.

This reservation is the sixth owned by the Society, and brings the total AVIS acreage up to some 200 acres.

Other reservations are Indian Ridge, the Vale Reservation, Baker's Meadow, Curtis Wood Lot on Dascomb rd. and Stevens Pond.

The Society keeps the areas in their natural state, making them available for those who wish to use them.

Mr. and Mrs. Raymond Howe have moved from Arundel st. to their new home on Chandler rd.

Friends of Ralph Taylor of Chandler cir. will be sorry to learn that he is a patient at the Lawrence General Hospital, following an operation performed there recently.

Benefit Bridge By Shawsheen Women

An autumn theme is the setting for the scholarship benefit bridge of the Shawsheen Woman's Club, which has been scheduled for Thursday, Oct. 27, at 1 p.m. at the Andover Country Club.

The committee, under the guidance of Mrs. U. Sylvester Berger and her co-chairman, Mrs. John Word, meeting throughout the summer, has planned an interesting afternoon from the time the homemade dessert is served until the extremely colorful table prizes are awarded at the close of play. The prizes were fashioned by the committee under the talented direction of Mrs. R. W. Friis of North Andover. Several door prizes, most graciously given by merchants and members of the Club, will be drawn.

Mrs. W. Clare Brooks is in charge of tickets; Mrs. Irving O. Piper, Mrs. Robert D. Grange and Mrs. Richard Healy have charge of decorations. Mrs. Edward I. Erickson is planning the prizes and Mrs. John A. Word is responsible for publicity. Other busy committee members include Mrs. Milton Whitehead, Mrs. Allan S. May, Mrs. William Lichtenberger, Mrs. Allan Krysynski and Mrs. Phillip Winters. All committeewomen will soon be contacting members of the Club to make up tables for the afternoon.

The money raised from this affair is used toward two scholarships awarded annually to deserving Andover High School graduates whose parent is affiliated with the Shawsheen Club.

Announcing the 1961 Ford . . .
Beautifully proportioned to the
CLASSIC FORD LOOK

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of *classic beauty.*

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you . . . *and for itself!*

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Goodbye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford . . . beautifully proportioned to the Classic Ford Look . . . beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosiop, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

Dear friends,

We believe it will surprise you to know that there are more than fifty separate service items connected with the average funeral. Naturally, the many details involved call for careful organization. Absolutely nothing can be left to chance.

You will observe that properly directed funeral services move quietly, with a complete lack of confusion. We assure you that this does not simply "happen".

MAMA AND LOUISA – That's all the Townsman knows about these two women, whose photo was taken by a young man whose unidentified photo appears on another page of this issue. The photo comes from the collection of Alfred Caliri, and apparently the women are members of an Andover family. The legend on the old negative says "Mama and Louisa in carriage, Porter rd. MRS. LEE J. BETTS

Wedding . . .

BETTS — EMSLEY

The United Presbyterian Church of Whitinsville was the setting for the marriage of Miss Marilyn June Emsley, daughter of Mr. and Mrs. Howard A. Emsley, 183 Goldthwaite rd., Whitinsville, who became the bride of the Rev. Lee John Betts, 3233 Whitfield ave., Cincinnati, Ohio, son of Mr. and Mrs. Leamon J. Betts of Westfield, N. J., Saturday, Sept. 17, at a 2 o'clock service. The Rev. William P. Showalter performed the ceremony. The Church was prettily decorated with baskets of white mums and bronze chrysanthemums, palms and candelabra. The church organist, Richard Reed, sang "The Lord's Prayer" and Mrs. Walter B. Brown, cousin of the bride, sang the "Wedding Song" and the "Wedding Benediction".

The bride, given in marriage by her father, wore a gown of white peau satin and imported Chantilly lace, fashioned on princess lines with circlet neckline, bracelet length sleeves of lace, lace bodice, full skirt with wide border of lace ending in a court train. Her veil of silk illusion was attached to a crown of orange blossoms and she carried a Bible with cymbidium orchids and Stephanotis.

The matron of honor was Mrs. Lester Hopton of Cambridge. She wore a dress of apple-green chiffon over taffeta, styled with a scoop neckline, three-quarter length sleeves and cummerbund of matching satin and wore a flower crown to match her dress.

The bridesmaids were Miss Elaine Loader of Whitinsville, cousin of the bride; Miss Sheila Oby, Miss Elizabeth Aldrich of Whitinsville and Miss Beverly Keeler of Upper Darby, Pa. The junior bridesmaid was Miss Janet Hartley of Whitinsville.

Miss Linda Joy Brown of Whitinsville, as flower girl and Steven Monast of New Bedford, as ring bearer, both cousins of the bride, assisted in the wedding ceremony.

The junior bridesmaid and flower girl wore identical dresses to match the matron of honor.

The bridesmaids wore dresses of gold chiffon over taffeta, identical in styling to the matron of honor's and all carried cascade bouquets of bronze chrysanthemums.

The Rev. Burton Smith served as best man.

The ushers were Howard A. Emsley Jr., brother of the bride, Spaulding Aldrich, William Powell, Walter B. Brown, John Webster and Robert Keeler, all of Whitinsville.

A wedding reception was held in the church vestry and the couple went on a wedding trip to the White Mountains, N. H.

The bride is a graduate of Abbot Academy and received a B. A. degree in Biblical History from Wellesley College.

The Rev. Mr. Betts received his B. A. degree from Houghton College, Houghton, N. Y. and his B. D. degree from Gordon Divinity School in Wenham. He was ordained in March in the United Presbyterian Church in Whitinsville and is now assistant minister of the Covenant First Presbyterian Church in Cincinnati, Ohio.

Mrs. Betts formerly lived on Cheever cir.

League Heard About Community Colleges

Walter M. Taylor, executive director of the Board of Regional Community Colleges, spoke at the Fall Luncheon of the League of Women Voters Sept. 20.

Part of the League's program this year is to study Public Higher Education in Massachusetts. Mr. Taylor's particular field, Regional Community Colleges, is the most important new facet of this problem. He gave some background of the enabling legislation which gives authority to the state and his board to set up Community Colleges throughout the state.

Mr. Taylor defined Community Colleges as institutions different from Junior Colleges, even though they offer only two years courses. He made the following distinctions: A Community College is geared to the needs of its community; it makes use of community resources; it offers both the first two years of a liberal arts or engineering course for those who wish to transfer to other colleges plus technical terminal courses such as Business Administration, electronics technician, nursing, etc.

League members questioned Mr. Taylor about the cost of these institutions and he answered that they are one third supported by the tuition and two thirds by the state. The local community only furnishes existing buildings. Cost per pupil of a community college is much less than either regular state universities or private ones for many reasons. Elaborate buildings, campuses and stadiums are not apart of the program. Part-time teachers can be used. Neither dormatories nor cafeterias are included in the plans.

Mr. Taylor is working at this time on plans for community colleges opening in Haverhill, Hyannis and Boston in the fall of 1961.

The meeting was opened by Mrs. Jerome Andrews Jr., president of the League, who introduced several League chairmen who spoke briefly on committee work for the coming year. Mrs. Charles Leigh reminded members of the Town Survey to take place in April. Mrs. Paul Crane spoke of the study group on foreign economic policy and Mrs. William Washburn announced the coming discussion groups on state politics.

Imported Fashions Shown Oct. 5

Plans for the imported fashion show to be held Oct. 5 at 8:15 p.m. in the High School Auditorium, under the sponsorship of the Shawsheen Village Woman's Club, are progressing satisfactorily and the hard-working members of the ways and means committee of the Shawsheen Club are eagerly anticipating this "different" fashion show.

Through the cooperation of a leading Lawrence women's specialty store, clothing from many of the internationally famous fashion salons of France and Italy have been flown to this country and will be displayed for local viewing. In effect, this provides the excitement and thrill of a Parisian showing without the expense.

Mrs. Phillip Winters, in charge of the usherettes, has announced that the following daughters of Club members will serve as usherettes: Sharon Brown, Nancy Campbell, Karen Fiedler, Jo-Anwyl Foster, Sally Guild, Carole Locke, Linda Neil and Susan Stevenson.

Tickets are still available and may be purchased from any of the following members of the Ways and Means Committee: Mrs. Alan Chadwick, chairman, Mrs. Donald Anderson, Mrs. James Baxter, Mrs. U. EDITORIAL THOUGHTS

One Plan - One Agency

Recreation, for both youngsters and adults, is a topic that has excited considerable interest in Andover – so much interest, in fact, that we wonder just who is responsible for planning this part of the community program.

The Recreation Committee logically should be the responsible agency – but we also have a town-wide Recreation Council which is attempting to ascertain the desires of the townspeople and do something about them; and we have the School Committee, which also is considering recreational matters.

It's entirely possible that there will be too much overlapping among these three groups, and that one plan should be prepared instead of three.

The School Committee, in its consideration of the proposed school in West Andover, is thinking about the possible use of the extra acres for recreation – not just for children at the school but for town use as well. There has been a continuing effort by members of this elected group, and school officials, to move forward in planning recreational areas.

The Council sent home questionnaires via school children for all parents to answer, which should offer a look at the recreational desires of the adult population. Presumably this group will come up with suggested areas of action.

The Recreation Committee, however, is the only official agency now charged with this specific task. We think it should come up with the plans for recreation, after carefully considering the facts that any other groups have in their possession.

It seems far more logical to have this official agency fulfill its responsibilities in this fashion, than it does to have three plans, all of which may at some points overlap or contradict the others in point of emphasis.

Too Little Time

Along with millions of other Americans, we watched the "Great Debate" between presidential candidates Monday evening.

And it seemed to us that the effectiveness of the debate was lessened considerably by the necessity of discussing so many important topics in such a short time.

Anyone with an actual interest in the candidates' ideas on one of these major topics would have been disappointed to have such a short time spent on it.

This was not, of course, the candidates' fault – it was a limitation automatically imposed when the time limit on the debate was set at one hour, and other restrictions were placed on the time available for discussion of any one point.

No one can quarrel with the program, nor with the worthwhile purpose of bringing the two candidates together. But wouldn't it have been even better to spend additional time on vital questions, so that voters with real interest in them could be satisfied that the topics had been fully explored?

Register, If You Want To Vote

Registrations are now open, for those residents of the town who have not been placed on the rolls of eligible voters.

And there probably are many who have not yet registered.

We urge you to register – the dates are set forth in a news story in this week's issue.

One of the most important decisions of your life will be made Nov. 8, when the country elects a president and Massachusetts elects its constitutional officers.

It is your obligation to take part in this decision by voting in the election. And this you can not do unless you have registered.

Down the Years with The Townsman

50 Years Ago – September, 1910

Thomas Kyle has left town for Ann Arbor, Mich., to attend the University of Michigan.

Daniel McCormick, clerk at Morse's Hardware Store, has just returned from a visit to Ireland.

Frank L. Smith of Chestnut st. has entered the employ of the United Shoe Machinery Corp. of Beverly.

The new legislation against the public drinking cup went into effect last Saturday.

Charles B. Jenkins picked a ripe strawberry in his garden last Wednesday.

Frederick S. Boutwell was named president of the Andover Home for Aged People last Tuesday.

Work commenced in the brush factory on Haverhill st. Monday.

Andover defeated Boston College 11-0 Wednesday.

Among Andover people present at the formal opening of the Ayer Mill Monday were President and Mrs. William M. Wood and family, George Simpson, Mr. and Mrs. B. Frank Smith, Walter M. Lamont, Mr. and Mrs. Vaughn Jealous and Mr. and Mrs. Granville K. Cutler.

25 Years Ago – September, 1935

An Andover nurse was fatally injured Sunday morning when her car turned over on the Dover-Natick road. She is the sixth Andover resident to be killed in automobile accidents this year, with four of these occurring in this town.

Punchard High gave a woeful exhibition last Monday, when an underrated Storey High of Manchester administered a 6-0 defeat. Not once was the local team in sight of the opponent's goal line.

Over 100 boys can be accommodated at Isham Infirmary, Phillips Academy, following renovations accomplished before school opened.

Ruth Abbott has been elected president of the Lafalot Club for the new year.

Dr. Thomas C. Poulter, second in command to Admiral Richard Byrd on his antarctic expedition, will speak here next Friday at George Washington Hall.

10 Years Ago – September, 1950

Three members of the Fire Department have been called to active service in the Armed Forces. They are Deputy Chief Henry L. Hilton, Marine Corps; John T. Cole, Navy; and Joseph F. Gaudette, Navy. Several other members of the Department are in the Reserves.

Residents of West Andover, who had hoped to have their mail delivered via the Andover Post Office instead of Lowell, are disappointed in a notice from the Post Office Department. The Selectmen have been notified that the mail will continue being delivered from Lowell, despite the petition signed by about 100 residents. The notice alleges that most residents of the section are satisfied.

J. Everett Collins, Republican, and Joseph Horan, Democrat, were nominated for Representative in the state Legislature. This is the first time in recent years that Andover has had the chance to vote for two Andover men in the election.

Deputy Fire Chief Albert Cole Jr. has been appointed full-time Civil Defense director by the Selectmen, and will have an office in the town hall.

Punchard poured it on in the fourth period Saturday, whipping Chelmsford 14-6 before a crowd of 1,500. The local team was trailing until the final period.

Coming Events
OCTOBER

4 7:45 p.m. Opening meeting of the Great Books Discussion Group for the season.

13 10 a.m. First meeting of the Ballardvale group of preschool children in the branch library. The Andover groups will form a little later. Dates will be announced.

17 7:45 p.m. Next meeting of the Andover Civil War Roundtable.

Library Hours

The main reading room is open daily, Monday through Friday, from 10 a.m. to 9 p.m., and on Saturday, from 10 a.m. to 6 p.m. The Children's Room is open Monday through Friday from 11:45 to 12:30, and again from 2-6 p.m. If there is no school on one of these days, the room is open from 10 a.m. to 12 noon, and again from 2 p.m. to 6 p.m. On Saturday the room is open from 10 a.m. to 12 noon.

The Ballardvale branch is open Mondays and Thursday from 2-5 p.m. and again from 6-8 p.m. If closed for the holiday on either of these days, it will open the next day.

All departments are closed on Sundays and holidays.

Great Books

Once again the library will be the meeting place of Andover's Great Books Discussion Group, and readers of Andover and nearby communities are cordially invited to join. An interesting point in the development of this program is that a newcomer may enter at any time and be just as effective in his participation as any of the charter members, of whom there are a few. Since each reading and its discussion is an independent unit, new members often find themselves talking freely and expressing their own interpretations of the assignment.

The reading for the opening meeting is from the Bible: chapters Exodus and Deuteronomy. Anyone interested should do the reading and plan to attend, at 7:45 o'clock, Tuesday evening, October 4.

For those who have wondered how this program is conducted, the following may clarify the procedure: members talk about the book, have some questions ready and come prepared to ask them of the group. Here is the unique part of the Great Books idea: there are two leaders for each meeting, whose sole duty is to keep the group close to the theme of the discussion. Leaders do not answer questions, but see to it that someone else does.

Members should speak their minds freely, but briefly, be ready to agree or disagree, stick to the point, let the group move along to another point, accept as fact anything contributed as a fact, and speak their own thoughts, not those they have collected from outside authorities.

There's inspiration, challenge, good talk and plenty of fun in the Great Books Discussion meetings.

Free Film Service

The Canadian films which are made available to the library for community use are on hand and may be reserved for those wishing to show them to their groups. From now until Nov. 30, there are three, all in color, each running for about fifteen minutes. "Fishing The Foothills Province" is set in the Rocky Mountains foothills of Alberta; "Up In The Border Country" is about a family who explore and cruise in Canada with tent, boat and car; "Ottawa, Canada's Capital" is a filming of Ottawa, the capital of Canada, photographed in tulip time. For those who have no projector, the library offers its equipment, but asks the borrower to make use of the trained projectionist.

New Books

Here are a few of the new books, ready at the library: (Fiction:) The Yankee From Tennessee, Gerson; The Man From Colorado, Vories; Dear Miranda, Wilson; Anna Teller, Sinclair; Bodyguard And Four Other Short Novels From Galaxy, Gold; The Dinner Party, Mauriac; The Best Wedding Dress, Colman. (Non-fiction:) Daughter Of The Sky, Briand – a fascinating biography which may explain the disappearance of Amelia Earhart; Yankee From Sweden, White – life of John Ericsson, who designed and built the U. S. Ironclad, "Monitor", a ship which influenced the course of the Civil War; Thomas Wolfe, Nowell – a new life of the famous writer, the work of Elizabeth Nowell, his literary agent and close friend; here is Wolfe as he really was, carefully and affectionately portrayed in a beautifully written work which reads as easily as any novel; Social Class and Mental Illness, Hollingshead – a community study to determine the relationship of social position to mental illness, and the reaction of various classes to it; Hats In The Ring, Moos – American political conventions on stage and backstage, from 1832 to 1960; You Can Draw Cartoons, Darvas – a step by step course for home study.

Garden Club To Meet Oct. 4

The first meeting of the 1960-1961 season of the Andover Garden Club will be held Tuesday, Oct. 4, at Peabody House, Phillips Academy, at 2:30 p.m., and will feature an outstanding program, "Pleasures and Treasures of an English Flower Arranger," by Mrs. Dorothy Cooke, winner of the International Gold Medal in Paris in 1959 and now in this country on a brief lecture tour.

Mrs. Cooke has been a gardener since she left college and has been associated with the Floral Art movement in the British Isles since its inception. For nearly 20 years she has lectured, demonstrated, taught and exhibited to every sort and size of audience. She gives a British flavor to a favorite subject and writes a poem with flowers.

Mrs. Henry C. Van Zandt, president of the Andover Garden Club, wishes to announce that this will be an open meeting to which members may invite guests at the usual fee. This is an excellent opportunity to hear one of the finest international arrangers. Mrs. Van Zandt states that all Mrs. Cooke's arranging will be done on a platform, thus enabling all in the audience to see.

Tea will be served under the direction of Mrs. Leslie N. Hutchinson, chairman of the hospitality committee, assisted by Mrs. Franklyn J. Emmett, Mrs. Guy B. Rowe Jr., Mrs. Charles MacKenzie, Mrs. Edward C. Nichols and Mrs. John S. Sullivan. Pourers will be Mrs. Ernest L. Wilkinson, past president of the club, and Mrs. Phillip Clements, chairman of the Garden Club Hospital Service at Bedford.

Members of the club will find the time and place of each meeting under the program section of their garden club year book. Meetings will be held the first Tuesday of each month unless otherwise specified.

WHO ARE THEY? This photo, taken from the Alfred Caliri collection, has puzzled everyone who looks at it. Who is the lad at right, who is identified merely as "myself" on the legend underneath the old glass negative. At left is a chap identified as Allan Pettee. The legend states that the photo was "taken by papa" in August, 1901, "by the boundary line". Can anyone identify the young man, whose home apparently was in West Andover?

See the New England Look in Concrete Masonry Homes!

Next time you're out for a drive, motor up to Lynnfield, Massachusetts and see the handsome new home at 37 Apple Hill Lane. Typically New England in its styling, it departs in many ways from traditional building techniques. The most important of these is its interesting concrete split block construction.

Designed by Royal Barry Wills, one of New England's foremost architects, "37 Apple Hill Lane" has been named by Good Housekeeping Magazine as "The Home of the Year." For rich beauty, concrete split block is painted pure white.

This home is notable for its four bedrooms, three baths, a spacious living room with dining area, family room, snack bar, laundry room, workshop and a storage room. In addition, there are two concrete patios, a two-car garage and an outside barbecue area.

Situated not far from the center of Lynnfield, "37 Apple Hill Lane" will especially delight you with its many ingenious uses of maintenance-free concrete, the most versatile of building materials. The doors are open for your inspection seven days a week. See it soon.

Planning to build? You'll build a *better* home with concrete! For the name of your local concrete block supplier, see the Yellow Pages of your telephone book.

Evening Clinic Accepts Appointments

Cancer symptoms too often become apparent in later stages of disease. More than 75 percent of all cancer can be cured if found in the early stages, officials of the Boston Evening Clinic Cancer Detection Center, have explained.

The Cancer Prevention and Detection Center, an affiliate of the non-profit 34-year old clinic at 314 Commonwealth ave., Boston, an institution which recently passed its 800,000 admittance, is a part-pay, public health service dedicated to detect early cancer and precancerous conditions when arrest and cure are most certain. The Center is now accepting appointments by telephone for the next two-month period. These special diagnostic examinations which include laboratory, x-ray and pathological examinations, etc., are made only on Thursday evenings starting at 5:30 p.m. and are available to the general public.
